

Awards given at Swamy Associates are not for winning any race or competition. It's given for just being excellent in whatever they do. In fact, the awards are meant with two core purposes. Acknowledging the excellent contribution of the awardee being the obvious one, inspiring the rest being the intended one.

In yet another milestone year of SA, where we have completed our "teens" and entering into the 20th year, I am extremely happy to announce the annual awards of SA.
